

To our valued patients:

We are excited to inform you that Drs. Carver and Chen will be joining Edward Medical Group on August 1, 2013. While our practice has achieved a great deal as an independent practice, the approaching changes in health care make this a perfect time for us to join a wider physician network.

**Robaab Siddiqui, MD**

As of July 31, 2013 we will be closing our Oak Brook Terrace office. We will open a second office on August 12 at 24600 W. 127<sup>th</sup> Street, Plainfield, IL 60585, Suite 125. Our Naperville location will remain the same. In the interim, please contact the Naperville office with any questions, concerns or to schedule appointments.

We are pleased to announce the addition of **Robaab Siddiqui, MD** to our practice. Dr. Siddiqui completed her Doctor of Medicine at Rush Medical College and her residency at Baylor College of Medicine in Houston. We look forward to having Dr. Siddiqui join our practice.

In our transition planning, we have been impressed with the clinical and administrative expertise of Edward Medical Group. Edward Hospital has been ranked highest in overall quality in the south and west suburbs of Chicago. Edward's aim, like ours, is to prudently use resources to promote exceptional health care for women. Our office will be converting from paper charts to electronic medical records. Please plan to arrive a few minutes early for your appointment as the registration process will take a bit longer during our transition.

Over the past 30 years, we are honored to have had the opportunity to offer you high quality, personalized care. While some details of practice operations will change at Edward Medical Group, our commitment to you, our valued patient, will not change. We expect an orderly transition to the new location and systems. We will now have uninterrupted access to your existing medical records.

Edward Medical Group accepts most of our current health plans, and we will be able to see patients covered by even more insurers. For a detailed list of health plans accepted by Edward Medical Group, please visit [www.edward.org/insurance](http://www.edward.org/insurance).

We look forward to serving you at either our new location in Plainfield or at our established Naperville location. New patients will be accepted at both of these locations. Thank you for your past faith in us, and please spread the news to your family and friends!

Your partners in health,

*Thomas Carver, M.D., Thomas Chen, M.D.*
